Dear All,

Openmynz Solutions develops embedded and cloud based solutions for the telecom, healthcare and consumer device industries.

We are delighted to inform you that **Openmynz Solutions** is interested in offering an internship for the **2027 batch** of MEC. Please find the details below.

- **Post:** Intern
- **Pay:** Rs. 25,000 - Rs 45,000 per month (depending on performance)
- **Criteria:** 8.5 CGPA and no active backlogs
- **Duration:** 6 months / 1 year
- **Eligible Branches:** CSE/ CSBS/ EC
- **Location:** Bangalore

NB: The students are eligible to be a part of only a single internship that is provided by the Placement Cell.

All eligible and interested students are requested to fill the [form](#) before **12:00 PM on 18th June, 2026**.

Hoping for the best!

Regards,
Placement Cell

Dear All,

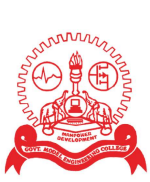

Please note that the internship opportunity is for the role of **Full Stack Developer Intern**.

Please find attached the detailed Job Description.

Students are encouraged to carefully review the requirements and apply only if they possess a strong interest in full stack development and the relevant technical skills.

Regards,

Placement Cell

Dear All,

Please note that there has been a revision to the requirements for the **Openmynz Softlabs Internship** for the 2027 batch.

- **Post:** Intern
- **Pay:** Rs. 25,000 - Rs 45,000 per month (depending on performance)
- **Criteria:** 8.5 CGPA and no active backlogs
- **Preferred Skill Set:** Strong knowledge of C/C++ (concepts and programming), Operating Systems and Data Structures.
- **Duration:** 6 months / 1 year
- **Eligible Branches:** CSE/ CSBS
- **Location:** Bangalore (Onsite)

Please find attached the detailed Job Description.

NB: The students are eligible to be a part of only a single internship that is provided by the Placement Cell.

Students who are interested and satisfy the revised eligibility criteria are required to register through the [form](#) before **11:00 PM** on **30th July, 2026** irrespective of whether they had registered previously.

Hoping for the best!

Regards,
Placement Cell
